RE: VSP-2013-9 | Unmanned Aerial Drones

Mr. Musgrave,

I am writing in response to your February 3, 2013 public records request regarding unmanned aerial drones. The Vermont State Police does not have or use unmanned aerial drones, UAs, UASs, or anything similar. Therefore pursuant to 1 V.S.A. § 318 (a)(4), we certify that the records do not exist.

If you have questions, please feel free to contact us directly.

Sincerely,

A handwritten signature in black ink, which appears to read "Step Dasaro".
